Instructions

Dear All,

My sincerest hope that this message finds you well and in good physical and mental health.

I understand if you are having a difficulty right now because of the pandemic that we continuously face. Nonetheless, we must continue to stay strong and optimistic to believe that we could get back to our normal lives in not so distant future.

I'd like to thank those who have responded to the survey we've conducted on the resumption of online classes. Around 42% opted for the suspension (Option C), 33% for Option B and 25% would want to finish the term. Considering that a majority would still prefer face-to-face make up sessions, we wouldn't be able to do that anymore since a memo was released specifying that courses should end in online mode. In addition, we would still follow the numerical grading system but no failure grade should be given. An option of deferred or withdrawn grade is also possible depending on the ability of the student to complete the requirements.

I will be needing your cooperation this time on your availability to take the remaining examinations in online mode. I extend my understanding to those who will not be able to take this survey. But, I request to those who are capable that you will give feedback to help me decide on the best possible option. Please contact me anytime if you have any further questions or concerns.

Thank you very much.

Best wishes,

Dr. Redillas
